Center

POWER DIALOG 4.4.16

Live Webcast: <http://cirescolorado.adobeconnect.com/powerdialog-4-4-2016>

The Power Dialog will support 10,000 students to participate in face-to-face dialog with state-level leaders in all fifty states about what is needed to shift to a clean energy economy. Here in Colorado, the Dialog gives students and community members a voice in critical decisions that will determine their future, and the future of the earth.
